

## LABEL COORDINATOR REPORT, 2025

My name is Jacquie Fuller and I have been the Label Coordinator since 2020.

Things I can do:

-send labels in bundles of 25 or 50 and please tell me which you would prefer when ordering.

Things I cannot do:

-assign a Number, such as an ON-1 number to your quilt.....for these requests I refer to the closest Regional Representative.

-I cannot send a single label to a member of the public.....these requests are also referred to the closest Regional Representative.

To date this year, I have mailed out 2,060 labels and 1,033 quilts have been presented. Many of you have commented that you are preparing for winter.

I would like to take this moment to thank all of you for your patience in receiving labels.....once they leave my hands, the package is then sent to Montreal from western Ottawa to be sorted. If you live east of Montreal, the labels are half way there, but if you live west of Montreal your package has far to go.

Thank you all for the wonderful work you do for our Veterans who have given so much of themselves to protect our freedoms.

Take care. Be safe.

Jacquie
