

## **LABEL CO-ORDINATOR REPORT FOR 2024**

To date, I have sent 2,375 Quilts of Valour labels across Canada.

I would ask that, when you request labels to be used by your groups, that you request bundles of 25 or 50 at a time.

Other than that, it is a pleasure to read your communications and how various areas of the country are faring.

Take care,

Jacquie Fuller
