

Team 8 New Brunswick

We have been very active this year. We now have sew days monthly in Fredericton and working getting them started in Saint John. Have recruited more presenters across the province, so this very Rural Province is covered.

I know having, Lynne Mersereau in Fredericton and Maureen Holditch in Saint John, as representatives is a very big reason for NB presenting a lot of Quilts. Hopefully before the new year some of the requests that other presenters have across the Province will get caught up.

We are working at getting our fundraising going in different areas to help our quilters. We have had success in the Fredericton area to raise \$3000.00 and will continue to do that. I was able to get a couple Rotary Clubs to donate money to QOV.

I would like to thank all the quilters and all of our presenters for a job well done this year.

Marty Forsythe

Regional Coordinator Team 8
