

### **Annual Report 2025 for Team 3**

We have been very active this year.  
Since our last report Team 3 has held more than 52 sew days.  
We participated in 9 Quilts Shows.

We were and still are very active in recruiting new members for our Team. Team 3 has added 7 new presenters this year with a few more still to complete the process and we have added several new quilters, a few of these were as a result of the Tour of Remembrance. We are continuing our efforts to increase our team.

We have sent quilts to other Regions and to other Representatives on Team 3.

Since the beginning of 2025 we have presented over 268 quilts.

We've had a great year! Thank you to all members of Team 3 for all your hard work.

Liz Seamans  
Coordinator Team 3
