

To summarize my year;

I presented 8 QOV

I have taken an interest in Hug Blocks as a way to help raise some funds for QOV. I have sold 64. I currently have a guild making a 'hugs across the nation' quilt for me.

I am going to be going to Trail BC to do talks to guilds and will work with Robyn there to get her set up under me.

Am currently working on a presentation in Fernie, BC and one in Creston BC.

So much is riding on covid.
