

Team 4 – AGM Report

Team 4 has had a quite year, as most veterans in our areas have been presented with QOV.

Laverne Phills' sew group that meets at the local Legion has had a great year and has regularly been supplying the CFB London Transition Center with QOV as well as keeping up with local needs. Laverne has also used Brenda Oliphant to do some long arming of quilts

We have a challenge ahead of us to try and find a couple of Representatives in the Hamilton and Niagara Falls area. Sean Mahar a Presenter from Stoney Creek has been a great help in presenting quilts in that area. Deby Wettges our Kitchener area Representative has done an excellent job of clearing older and current requests. Sean was brought into our organization by Team 3 Leader, Elizabeth Seamans.

That's all from here.
