

AGM Report

Team 7

Team 7, Edith Taylor and Bernie Verreault continue to work towards being totally caught up.

We currently have 24 requests (4 presentations are scheduled for 12 October). 7 Requests are assigned to Transition Centres (1 X Shilo and 6 X Winnipeg), 5 requests are scheduled for November (2 X 90+ year old veterans will be presented on Remembrance Day) and 2 Veterans will be presented at a Veterans Dinner in Gladstone MB on 15 November.

As of 12 October 2024 Team 7 will have presented 127 Quilts to deserving veterans in the Province of Manitoba.

I plan on trying to continue to seek a volunteer in the area near Shilo given that there are so many veterans retiring from that large base. I really thought I had someone but you know.....!

Edith Taylor continues to be the conduit to the Quilting Guilds; she knows everyone and continues to receive Quilts frequently from them.

Edith and I are planning to visit Deer Lodge Hospital before Christmas and plan on presenting small quilts to veterans in wheelchairs.
