

## 20. Transition Centres

Transition Centres (TC) are offices run by the Canadian Armed Forces on military bases across Canada.

Two of their core services are directed at military personnel, regular or reserve who are returning to duty from medical rehabilitation or transitioning to civilian life as a result of being medically discharged.

Quilts of Valour supports the TCs across by providing them with Quilts of Valour to be given to service personnel who are ill or injured as a result of their service.

Quilts provided to the TC's should have a QOVC quilt label attached that indicates the Quilt ID # and the quilt maker if know.

Each TC should only have one Regional Representative liaison to avoid any confusion.

The TCs are our priority for quilts. A list of all TCs and their respective Regional Representative can be found on the Team Drive.

When sending quilts to a TC for presentation complete the External Quilt Transfer Form and send with the quilts. Retain a copy of the form for your records and inventory control.
