

It has been a busy year presenting quilts. Close to 200 have been presented with more presentations to be held in the next 2 months.

TEAM 5 still has 315 requests to do, some are on hold due to lack of proper phone numbers, names and no communication. Team 5 needs quilts, presenters, representatives and longarm/domestic quilters.

Will be attending a guild this month to hopefully strum up some interest.

Team 5 was involved in the Greenwood Airshow, Wing welcome and Centreville quilt show. Thanks to Bruno Losier we had a quilt frame to display our raffle quilt and a few other quilts which drew lots of attention. The quilt will be raffled on November 12 at the Kingston Legion.
